

October 28, 2009

Dear NKYA Families and Coaches,

It is that time of year. I hope this e-mail finds everyone well and that you had a wonderful year so far. We are currently registering for our winter session of basketball. Our practices will begin the week of November 30 with our season starting on January 9, 2010. Our children will have (5) weeks to prepare for the session and we will continue to accept registrations until December 31, 2009. You may register at Pleasure Isle in person, or by e-mail at [www.nkya.com](http://www.nkya.com) . If you are a coach bringing a team into the Advanced Division you may download the registration packet from our website. I hope to add a new Division in the Instructional League this year at the high school level, Junior Varsity (Freshman, Sophomore) with Varsity (Junior, Senior). If we have at least (4) teams in each division it will work, if we cannot accomplish this then we will return to a single division at this level. Our coaches meeting will be held on Tuesday November 17 at 7pm at Pleasure Isle, at this meeting we will discuss issues, expectations and sign up for practice times. This year we will sell basketball shorts with the NKYA logo on the left front leg. We have (325) pairs in (4) base colors of black, white, navy and silver that will match all our shirt colors. The cost will be \$8 each. We also will have Adult T-Shirts with various themes available. The shirts will sell for \$8 each as well. I am considering allowing our kids the option of putting their last name on the back of their game shirts for a nominal fee. I am asking you to please support our program in these endeavors as I am trying to generate other revenue streams in hopes of avoiding an increase in the registration fees. You may or may not be aware of this but with our basketball program our organization attempts to break even every year. In conclusion, I am searching for 6 to 8 parents or coaches who would be interested in forming a basketball subcommittee. You will help shape our basketball program and volunteer 2 to 4 hrs of your time every other weekend to oversee the games. If you are interested please e-mail me. I have attached for your convenience the calendar for the entire 2010 year. I thank you for your time, support and look forward to seeing everyone. ***Are you ready for some basketball !!!*** Should you have any questions, concerns or comments you may e-mail me at [www.basketballadmin@nkya.com](mailto:www.basketballadmin@nkya.com) .

Sincerely,  
Tim
